

INDEX

- ABDOMEN**, upper, the association of surgical lesions in the, 1111
- Abdominal drainage**, 1147
- pain of intestinal origin, 289
- ring, internal, unsuspected irritation of, 953
- signs, deceptive, 557
- sympathetic, paralysis of, following labor, 311
- versus vaginal hysterectomy, 983
- Abortion**, etiology and medical treatment of, 1007
- medicolegal aspects of criminal, 1007
- the surgical treatment of, 1007
- Abortive treatment of gonorrhea in the male**, on the, 488
- Abrahams, R.**, sea-bathing in some forms of skin diseases, 593
- Abrams, Albert**, the tracheal traction test as an aid in the recognition of the asthmatic lung, 1207
- Abscess**, postpartum tubo-ovarian, 1023
- surgical treatment of pulmonary, 422
- tardy, of the liver, 1082
- Abscesses**, multiple, of the omentum, 1150
- Absorptive capacities of the skin**, the, 987
- Academy of Medicine, American**, the president of, 1182
- Acapnea**, a result of lowered barometric pressure, 212
- Accessory sinuses**, the prevention of diseases of, the, 958
- Accidents**, railway, during 1902, 37
- Accouchement forcé**, the difficulties and dangers of, 1150
- Aceton-content of the organs in cases dead from diabetic coma**, the, 937
- Achylia gastrica**, 1138
- Acid creamless milk in gastro-enteritis**, 214
- fast bacteria, resistance of, 798
- salicylic, harmful, 79
- Actinomycosis**, cause of human, 216
- of jaw, 179
- progress in, 1200
- Action of drugs on the coronary circulation**, 359
- physiological, and chemical constitution, relations between, 408
- Addison's disease and frequency of urination**, 524
- disease, the adrenal in, 1001
- Adenitis**, treatment of cervical, 557
- Adenoid operations and mortality**, 518
- operations at home, 518
- Adenoids and adenoid operation**, 1182
- Adenoma**, malignant, of the liver, 1000
- of sweat glands, 798
- Adhesions in brain surgery**, the use of silver foil to prevent, 422
- Adirondack Cottage Sanitarium**, 364
- Adjuvant**, steam valuable, 525
- Adrenal**, function of, 1001
- gland infusion, 808
- in Addison's disease, the, 1001
- Adrenalin**, brief action of, 949
- treatment of surgical shock with, 123
- Adulteration**, food, in New York State, 175
- of foods, legal action regarding, 711
- After-treatment of intranasal operation**, 164
- Agglutination phenomena of the staphylococci**, 652
- test in typhoid, improved technic of, 940
- Agglutinins**, experiments upon, 717
- specific and non-specific, 716
- Agraphia and aphasia**, 282
- Aids**, laboratory, to diagnosis, 219
- Air-cushion in surgery**, an improvement on the, 855
- Air cystoscope**, 425
- embolism, 215
- and feeding in pneumonia, 526
- water and unbreathed, 525
- Albumin**, a new method of determining, 455
- in the feces, presence of, 795
- Albuminuria as an accompaniment of diabetes mellitus**, 212
- cyclical, 211, 358
- of puberty, 161
- physiological, 499
- postural, 358
- Albuminuria**, value of, in differentiating pyelitis from cystitis, 32
- Albumoses and peptones**, 173
- Alcohol and metals**, action of, upon the sea urchin, 359
- and other drugs, 378
- as a cause of locomotor ataxia, 1129
- ether and chloroform on natural immunity in its relation to leucocytosis and phagocytosis, 757
- in medicine, the prohibition of, 416
- on resistance to infection, 939
- problem, a novel aspect of the, 459
- Alcoholism and arteriosclerosis**, 1143
- and degeneration, 701
- ergot in, 445
- Aldrich, Charles J.**, fracture of the base of the skull as a cause of epilepsy; report of case, 979
- Alexian Brothers' Hospital**, report of the, 317
- Alloxuric bases in septic fevers**, the, 606
- Allport, Frank**, the relationship existing between ophthalmology and otology and dentistry, 730
- Altitude on blood corpuscles and blood plates**, effect of, 383
- Alumni Association of St. Luke's Hospital**, the, 755
- Association of the College of Physicians and Surgeons, New York, 225, 992
- Amaurotic family idiocy**, 716
- Amblyopia**, possible etiological factor in tobacco-alcohol, 218
- American Academy of Medicine**, 664
- Association of Pathologists and Bacteriologists, 664, 711, 715, 762, 807
- Association of Railway Surgeons, 1134
- Climatological Association, 852, 1133
- Dermatological Association, 1135
- Gastro-enterological Association, 1219
- Gastro-enterological Association, seventh annual meeting of the, 665
- Gynecological Society, the, 1092, 1097
- Institute of Physical Culture, 664
- Laryngological Society, 177
- Medical Association, the, 1131, 1136, 1152, 1184, 1220
- Medical Association—section on materia medica, pharmacy and therapeutics, 1198
- Medical Association—section on medicine, 1137, 1184, 1220
- Medical Association—section on nervous and mental diseases, 1231
- Medical Association—section of obstetrics and diseases of women, 1148, 1194
- Medical Association—section on pediatrics, 1150, 1197, 1228
- Medical Association—section on surgery and anatomy, 1143, 1189
- Medical Association, special clinics for, 900
- Medical Colleges, Association of, 1219
- Medical Editors' Association, 902
- Medical Temperance Association, the, 1039
- Neurological Association, 665
- Proctologic Society, 903
- Society of Clinical Surgery, the, 718
- Society of Tropical Medicine, 661
- Ammonium sulphate method of sterilizing catgut**, the, 934
- Amabe dysentery**, 557
- Amputation at the hip-joint for sarcoma of the femur**, 406
- interscapulo-thoracic, 145
- of frozen feet and hands, to receive \$10,000 on account of, 851
- Anaesthol**, 760
- Anastomosis for the vas deferens**, 407
- intestinal, a new device and method for, 40
- intestinal, a new method for performing, 199
- intestinal, by a new method, 1147
- Anatomy and physiology of the peritoneum**, the, 422
- Anatomy, pathological**, 1181
- Anchylostomiasis**, 183
- podophyllin in, 606
- treatment of, 759
- Andrade, Eduardo**, new stain for diphtheria bacilli, 498
- Andrews' technic**, 1189
- Anemia or splenomegaly**, types of splenic, 998
- pernicious, alterations of the gastrointestinal canal in, 891
- pernicious, of the stomach, 1138
- pernicious, spleen in, 1201
- splenic, complexity of, 999
- Anesthesia in abdominal surgery**, 1083
- nitrous oxide-ether, 1159
- water, 183, 184
- water, in surgery, 1174
- work, two advantageous procedures in, 255
- Anesthetics**, 425
- Aneurism**, aortic, of traumatic origin, 747
- of the innominate artery, 1225
- popliteal, Matas' operation for, 1145
- traumatic, of the subclavian, 30
- Aneurisms of the aorta**, 209
- Angina**, syphilitic, 1184
- Vincent's, 652
- Angiomata**, treatment of, 163
- Aniline poisoning**, 249
- Animal heat mechanism**, action of morphine on, 213
- Animals apparently dead**, resuscitation of, 48
- Ankle-joint**, dislocation of the, 1048
- Antenatal rigor mortis**, 452
- Anthrax bacilli**, the capsule of, 938
- Antibody from the blood serum of cancer patients**, an effort to produce an, 217
- Anti-cigarette crusade**, an, 368
- Antidote for snake bite**, 948
- Antifat certificates**, 616
- Antihemolytic properties of the serum of nephrectomized rabbits**, 1103
- Antimalarial operations**, 747
- Antimosquito war**, 1136
- Antipneumococcus serum**, 1141
- Antistreptococcus serum in articular rheumatism**, 210
- Antitoxin and diphtheria**, 367
- as a prophylactic in diphtheria, the value of, 215
- for the poor, 367
- method of using, 68
- plant, establishment of, 269
- State manufacture of, in New Jersey, 613
- stations, establishment of, 757
- treatment of hay fever, 219
- tuberculous, internal administration of, 403
- Antivivisection in England**, the pioneer of, 903
- Aorta**, etiology of aneurisms of the, 209
- and mitral disease, 1186
- aneurism of traumatic origin, 747
- Aphasia and agraphia**, 282
- Apocrypha**, the physician in the, 179
- Apomorphine**, elimination of, by the stomach, 71
- Apparatus for nitrous oxide-ether anesthesia**, 1159
- Appendectomy**, miliary tuberculosis following, 1104
- Appendicitis**, a chief predisposing cause of, 1090
- acute, and its medical treatment, 883
- and influenza, 1224
- and pneumonia, 284
- an early symptom of severe, 499
- chronic, 1213
- diagnosis of, 1147
- factors in the mortality of, 1147
- forensic importance of, 164
- in children, 1039, 1147
- leucocytosis in, 81
- mortality of, 1189
- obstruction and distention as a cause of, 845
- pathology of, 912

- Appendicitis, present status of, 74
 symposium on, 46
 the mortality of, 49
 value of blood count in, 164
 Appendix and typhoid, the, 1084
 Appointments, 134, 229, 901
 medical, at the hospitals in Montreal, 1183
 Arctic health resort, an, 367
 Army medical reserve corps, proposed, 464
 Arsenical poisoning in England, 38
 Arsenic habit, 360
 therapeutics of, 574
 Arteries, resection of, 422
 Arteriosclerosis and angina pectoris, 1184, 1185
 and infectious disease, 1142
 and nephritis, 1142
 clinical studies in, 951
 earliest sign of, 951
 in its relation to life insurance, 947
 of spinal cord, 812
 pathology of, 1142
 serum treatment of, 170
 statistics in 4,000 cases, 1142
 the dietetic treatment of, 292
 under forty-five years, 1143
 urine in, 951
 Arthritis and endocarditis, experimental, 1001
 deformans, 670, 1193
 deformans, history of, 1226
 deformans, pathology of, 1225
 gonorrheal, 1227
 Arthropathies of locomotor ataxia, 572
 Ascending infection, 670
 Ascites, abdominal, with 150 tapplings, 640
 suture of the omentum to the parietal peritoneum for, 448
 Asepsis, 424
 in catheterization, 218
 Aspect of food preservatives, the sanitary, 304
 Asphyxia, traumatic, 1030
 Associated Health Authorities, meeting of, 1090
 Association of American Physicians, 852, 941, 949, 997
 Asthenopia, 280, 921
 Asthmatic lung, the tracheal traction test as an aid in the recognition of the, 1207
 "As through a glass—darkly" (eye-strain controversy), 560
 Astringent, intestinal, bismutose as an, 170
 Ataxia, locomotor, arthropathies of, 572
 Atheroma, suprarenal, producing lesions of, 702
 Athletics, college, some facts about, 506
 Atomic theory of matter again, the, 1093
 Atony of the stomach, 955
 Atrophy, acute yellow, 1000
 gastric, and pernicious anemia, 1138
 in adrenals, 1001
 of the liver, acute yellow, with pregnancy, 451
 testicle, 334
 Atropine in incarcerated hernias, use of, 170
 Augustana Hospital, gift to, 509
 Hospital, money for, 904
 Auricle, right, determining pressure in, 70
 Auscultatory percussion, 161
 Australia, notes on hydatid disease in, 181
 Auto-intoxication, intestinal, the efficiency of persodine in phenol poisoning and, 503
 Automatic drawing, 618
 Automobiling and nervous manifestations, 34
 Autopsies in public hospitals, 459, 570
 Avian tuberculosis, 763
 Axillary plexus, surgical lesions of the, 1145
 Azoturia, 1004

 BABCOCK, Robert H., the pulse as a guide to the life insurance examiner, 774
 Babies and hot weather, 1036
 Baby farms, war on, 709
 Bacilli, flagellar and somatic agglutinins in, differentiation of, 807
 included in the dysentery group, varieties of, 764
 living and dead tubercle, in the production of antituberculin, comparison of, 765
 long, of gastric cancer, 166
 tubercle, differences in precipitins produced by, 765
 tubercle, in animals, agglutination of, 1130
 tubercle, observations with tuberculin from different races of, 765
 typhoid, in urine and feces during convalescence, 844
 Bacillus agglutinated by high dilutions of typhoid serum; isolated from water, 766
 coli in nature, distribution of, 939
 dysenteriae (Shiga) in infants, 481, 1228
 long, of the stomach contents, the, 648
 of Koch, modifications of the, 606
 tubercle, the biochemistry of, 810
 typhi murium, infection with the, 69
 Backward infection, 668
 Bacteria, acid-fast, resistance of, 798
 and money, 364
 intestinal, importance of normal, 263
 in the mesentery of normal animals, 765
 Bacterial versus animal parasitic infections, 997
